RESTRICTIONS

1. This offering is for voice use only.
2. Data calls (such as calls to a computer tone) are not included as a part of this service. As part of this service offering, the Telephone Company may (at its choosing) attempt to block data calls. For data calls completed within the Local Calling Area, the Telephone Company may (at its choosing) bill for that usage at the Local Minute Rate starting with the first minute.
3. This offering provides up to 100 outgoing calls per billing month to the Primary Basic Local Exchange Service calling area. The Telephone Company will bill for calls in excess of this allowance at the Local Call Rate.
4. This offering provides up to 12,000 outgoing minutes per billing month to the Primary Basic Local Exchange Service Calling Area. The Telephone Company will bill for minutes in excess of this allowance at the Local Minute Rate.
5. This offering includes unlimited incoming local calls.
6. Calls made to a telephone number with an NPA NXX that is associated with the rate center that is within the customer's local calling area are local calls regardless of the physical location of the called party. (N)
7. Calls made within the Local Calling Area but outside the Primary Basic Local Exchange Service Calling Area will be billed at the Local Minute Rate starting with the first minute. (N)
8. Only completed local calls and conversation minutes count towards the above allowances. The Telephone Company will not bill for non-completed calls and non-conversation time. (N)
9. The conversation minutes for each completed local call are rounded up to the next higher whole minute on a per call basis.
10. Vacation service is not available with this service.
11. Local call detail is not provided with this service.
12. The call and minute allowance apply per line per month. Unused calls or minutes, or calls or minutes over the allowance, may not be carried over or applied against another month's allowances.
13. Local Operator calls will not count against the allowances. Local Operator calls will be billed at the than current rates of the operator provider.
14. There is no charge for calls to the Telephone Company's business office nor do such calls count against either the call allowance or the MOU allowance.
15. A person with disabilities or who is voluntarily providing a service for an organization classified by the Internal Revenue Service as a section 501(c)(3) or (19) organization, or a person who provides a service for a congressionally chartered veterans organization or their duly authorized foundations, is exempt from the 100 calls per month limitation.
16. Touch Tone Service is included with this service.
17. Service Connection Charges as stated in this tariff apply.

SERVICE CHARGES

A. GENERAL

1. a. The Service Charges covered herein are applicable in connection with the establishment of Primary Basic Local Exchange Service (PBLES).
- b. Service charges as listed herein apply to regulated service.
2. Service Charges
 - a. The Service Ordering Charge is the charge for work performed by the Telephone Company in connection with the receiving, recording and processing of customer requests for PBLES ordered to be performed or provided at the same time and on the same premises. The term "per order" means all work or service ordered at the same time for the same account.
 - b. The Line Connection Charges applied to each PBLES central office line for work required in the central office and outside and plant, including restoral of service after temporary disconnection of PBLES for nonpayment.
3. Customer Premises
 - a. A premises is a building, portion of a building or buildings on the same continuous property occupied by the customer as a residence. All space for offices occupied by a customer on the same or separate floors of one building are considered as a single (or same) premises.
 - (1) Same continuous property shall mean an uninterrupted plot of land within the same block and occupied by one customer. Same block is defined as parcel of land enclosed but uncrossed by public thoroughfares. Railroad tracks, rivers and alleys are not considered as public thoroughfares.
 - (2) A building shall mean a structure on one foundation or two structures on separate foundations with a common wall or abutting walls with ready access from one structure to the other by means of doorways or permanent openings through the intervening wall or walls. Structures in the same or different block occupied by one customer and connected by passageways shall be considered as the same building if the passageway is actually used as a continuation of the space in the two buildings and not principally used as a walkway.
4. Additional Conditions
 - a. Service charges are in addition to all other applicable rates and charges associated with PBLES.
 - b. The charges specified herein do not contemplate work being performed by the Company employees at a time when overtime wages apply due to the request of the PBLES customer or do they contemplate work begun being interrupted by the PBLES customer. If the customer requests overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.
