LOCAL TELEPHONE EXCHANGE SERVICE

SERVICE CHARGES

A. GENERAL

1. The Service Charges covered herein are applicable in connection with the establishment of telephone service and subsequent changes and in service.
2. Service Charges
  - a. The Service Ordering Charge is the charge for work performed by the Telephone Company in connection with the receiving, recording and processing of customer requests for service ordered to be performed or provided at the same time, on the same system and on the same premises. The term "per order" means all work or service ordered at the same time for the same account.
  - b. The Line Connection Charges applied to each central office line (exchange line, trunks, etc.) for work required in the central office and outside plant, including reconnection of suspended (vacation) service and restoral of service after temporary disconnection of service for nonpayment.
3. Customer Premises
  - a. A premises is a building, portion of a building or buildings on the same continuous property occupied by the customer in the conduct of his business or occupied by the customer as a residence. All space for offices occupied by a customer on the same or separate floors of one building are considered as a single (or same) premises.
    - (1) Same continuous property shall mean an uninterrupted plot of land within the same block and occupied by one customer. Same block is defined as parcel of land enclosed but uncrossed by public thoroughfares. Railroad tracks, rivers and alleys are not considered as public thoroughfares.
    - (2) A building shall mean a structure on one foundation or two structures on separate foundations with a common wall or abutting walls with ready access from one structure to the other by means of doorways or permanent openings through the intervening wall or walls. Structures in the same or different block occupied by one customer and connected by passageways shall be considered as the same building if the passageway is actually used as a continuation of the space in the two buildings and not principally used as a walkway.
4. Additional Conditions
  - a. Service charges are in addition to all other applicable rates and charges associated with the service being provided.
  - b. The charges specified herein do not contemplate work being performed by the Company employees at a time when overtime wages apply due to the request of the customer or do they contemplate work begun being interrupted by the customer. If the customer requests overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.
  - c. No service charges apply when the service is rendered inoperative by fire or other cause beyond the control of the customer and service is re-established at another location or premises. Service charges will apply for transferring a temporary installation to another location or premises respectively.
5. Restoral of Service
  - a. Service discontinued by the Telephone Company because of nonpayment when the service has not been disconnected is subject to the Restoral of Service Charge.
  - b. When service is rendered inoperative by fire or other causes beyond the control of the customer which render the premises unfit for occupancy, the same service will be reestablished at the same or different location, at the option of the customer, without Service or Installation Charge.

LOCAL TELEPHONE EXCHANGE SERVICE

LIFELINE SERVICE

EXCHANGES: PETERSBURG AND DEERFIELD (N)

A. DESCRIPTION

1. Lifeline Service applies discounts to monthly recurring rates for qualifying residential customers. These discounts are applied to existing tariffed rates and charges for residential telephone service.
2. In order to be eligible for Lifeline Service a residential customer's household income must be at or below 150% of the poverty level as determined by the United States Office of Management and Budget and as approved by the State Treasurer or the customer must participate in one of the following federal assistance programs:
  - a. Medicaid
  - b. Food stamps
  - c. Supplemental security income
  - d. Federal public housing assistance
  - e. Low-income home energy assistance program
  - f. National school lunch program's free lunch program
  - g. Temporary assistance for needy families
3. Lifeline Service includes the services and functionalities enumerated in by the F.C.C. as follows: voice grade access to the public switched network; local usage; dual tone multi-frequency signaling or its functional equivalent; single-party service or its functional equivalent; access to operator services; access to interexchange service; access to directory assistance; and toll blocking for qualifying customers.
4. Other services can be provided with the Lifeline Service at applicable rates and charges.

B. REGULATIONS

1. Regulations specified elsewhere in the Company's tariffs apply to Lifeline Service.
2. Lifeline Service is available only with residence services, excluding foreign exchange service. Lifeline Service is limited to one line per household at the customer's primary residence.
3. A miscellaneous service charge does not apply when Lifeline Service is added or discontinued to existing service when that is the only work being done.
4. a. A discount of 20% of the Basic Local Exchange rate or \$11.25, whichever is greater, on the monthly rate for Basic Local Exchange Service for Lifeline customers is applicable. For Lifeline customers 65 years of age or more, the discount will be 25% of the Basic Local Exchange rate or \$12.35, whichever is greater. The total discount shall not exceed 100% of all end-user common line charges and the Basic Local Exchange rate. (C)

B. REGULATIONS (Continued)

- b. The credit will be applied in the following order: (1) The Interstate End User Access Charge, National Exchange Carriers Association, Inc. Tariff F.C.C. No. 5, Access Service. (2) End User Common Line charge, Great Lakes Comnet, Inc. (GLC), Tariff M.P.S.C. No. 25, Part XVII, Section 17.1.2. and (3) The balance of the credit, if any, will be applied as a credit to the Basic Local Exchange rate. (C)
  - c. The Company will provide, at the qualifying customer's option, toll blocking service at no charge. The Company defines toll blocking as a service provided by the Company that lets the customer elect not to allow the completion of outgoing toll calls from their telecommunications channel. (C)
  - d. The Company will not require a service deposit in order to initiate Lifeline Service if the qualifying customer voluntarily elects toll blocking service.
  - e. The Company will not disconnect Lifeline Service for non-payment of toll charges by qualifying customers.
5. The Lifeline plan will apply after receipt and processing of a completed Company or community/government provided application, including documentation indicating that the household income meets the eligibility standards established above.
6. Customers of Lifeline Service must notify the Company of any changes which would affect qualification. Reverification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount would be discontinued and regular tariff rates and charges would apply.

C. MONTHLY RATE FOR NON LIFELINE CUSTOMERS

Each Non Lifeline service customer shall pay the following rates per exchange access line for Telephone Company intrastate services listed below to cover the costs of the Lifeline service:

	Rate Per Month	(C)
- Primary Basic Local Exchange Service, Individual line or trunk each	.07	(C)
- Non-Primary Basic Local Exchange Service, Individual Business and Residence line or trunk, PBX Trunk Services and Centrex Services	.10	

The rate for business Centrex station lines will be computed based on the trunk Equivalence Table specified in the Company's Tariff M.P.S.C. No. 2.

B. REGULATIONS (Continued)

- b. The credit will be applied in the following order: (1) The Interstate End User Access Charge, National Exchange Carriers Association, Inc. Tariff F.C.C. No. 5, Access Service. (2) End User Common Line charge, Great Lakes Comnet, Inc. (GLC), Tariff M.P.S.C. No. 25, Part XVII, Section 17.1.2. and (3) The balance of the credit, if any, will be applied as a credit to the Basic Local Exchange rate. (C)
- c. The Company will provide, at the qualifying customer's option, toll blocking service at no charge. The Company defines toll blocking as a service provided by the Company that lets the customer elect not to allow the completion of outgoing toll calls from their telecommunications channel. (C)
- d. The Company will not require a service deposit in order to initiate Lifeline Service if the qualifying customer voluntarily elects toll blocking service. (C)
- e. The Company will not disconnect Lifeline Service for non-payment of toll charges by qualifying customers.
- 5. The Lifeline plan will apply after receipt and processing of a completed Company or community/government provided application, including documentation indicating that the household income meets the eligibility standards established above.
- 6. Customers of Lifeline Service must notify the Company of any changes which would affect qualification. Reverification of eligibility will take place on an ongoing basis. When the customer is no longer eligible for Lifeline service, the Lifeline discount would be discontinued and regular tariff rates and charges would apply.

C. MONTHLY RATE FOR NON LIFELINE CUSTOMERS

Each Non Lifeline service customer shall pay the following rates per exchange access line for Telephone Company intrastate services listed below to cover the costs of the Lifeline service:

	Rate Per Month	(C)
- Primary Basic Local Exchange Service, Individual line or trunk each	.07	(C)
- Non-Primary Basic Local Exchange Service, Individual Business and Residence line or trunk, PBX Trunk Services and Centrex Services	.10	

The rate for business Centrex station lines will be computed based on the trunk Equivalence Table specified in the Company's Tariff M.P.S.C. No. 2.
